

<Rama follows his dharma>

Ravana was a terrible demon,
He was a horrible weapon.

There was a meeting for the gods
Where multiple gods had to nod

Vishnu was sent to the world
And was cared by king Dasharata like gold

He was named prince Rama
Who married Sita

Queen Kaikeyi wants Brahma to be king
So Rama leaves and don't even cling

Rama takes his brother Lakshmana and Sita, his wife
They are precious like gold, and even his life

They live in the forest
Where living is hardest

One day Ravana comes around
and looks all around

He sees beautiful women Sita
While Rama is hunting for Sita

Ravana snatches her like a knife,
And kidnaps Rama's wife.

Rama gets help from the bird khara
and he learns more about samsara

And Hanuman the special monkey
makes Rama very lucky

There is a war between the bad and good
And Hanuman's soldiers help change the mood

Rama gains victory from the war
He praises the gods up far

Rama finds Sita
Rama follows his Dharma.
